IMPORTANT ANNOUNCEMENT

The order of the Standard Catalogue of U. S. Coins and Tokens is followed in this catalogue. So that collectors may have a quick guide to value we have placed after each lot the 1942 catalogue valuation. This valuation is by no means a limit or reserve and has been the custom in stamp sales for many years. Where a definite valuation has not been given in the catalogue for condition quoted it has been averaged.

UNITED STATES PROOF COINS

All of the proofs listed in this catalogue are fine clean pieces and as such are in demand. Prices realized usually run between two-thirds and full catalogue value.

CONDITIONS OF SALE
